

MISSION STATEMENT

We are committed to educating our Clients to the process of design so that they can make the best decisions for their projects. It is our philosophy that the task of an Architect is to take the desires and needs of our Clients and turn them into reality.

CURRENT PROJECTS

MILLER HOSE COMPANY NEWFANE, NY IN CONSTRUCTION

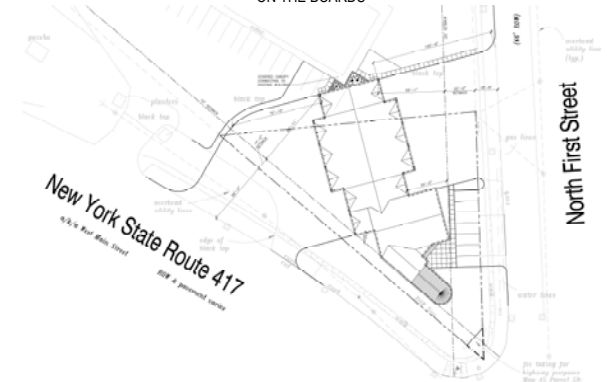

GALLAGHER PRINTING, Inc. CLARENCE, NY IN CONSTRUCTION

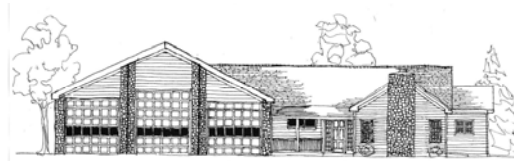

An addition to a well established commercial printing company in Western New York. This addition will allow better service of "walk-in" clients.

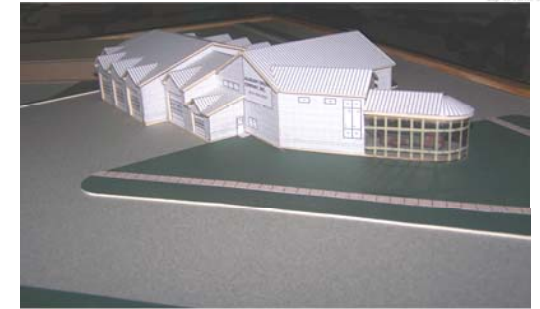

ALLEGANY ENGINE COMPANY ALLEGANY, NY ON THE BOARDS

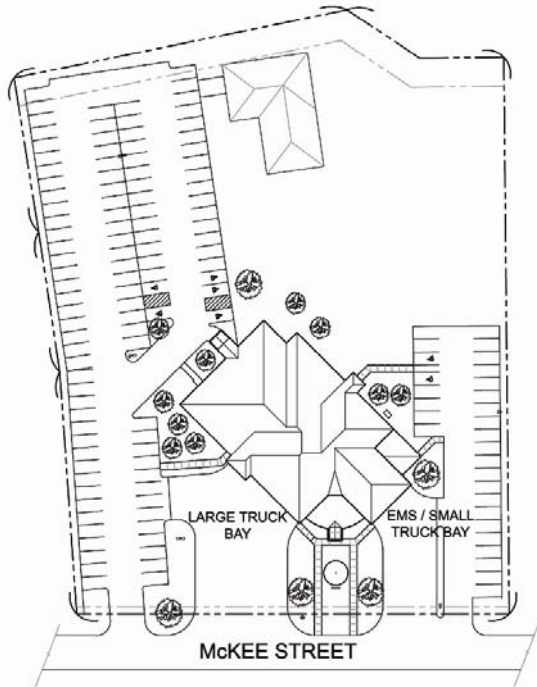

SUBSTATION for SOUTH LOCKPORT FIRE Co., Inc. SOUTH LOCKPORT, NY ON THE BOARDS

Situated in a residential neighborhood this substation seeks to maintain the fabric of the community while serving its fire and rescue needs.

GRACE WOLFE OFFICE BUILDING STUART, FL ON THE BOARDS

The distinctive split bay design of the apparatus bays allow for a unique axial approach to the building & created a signature entry for the fire station at its apex.
